

CFA Breeder Assistance & Breed Rescue, Inc.

A program of The Cat Fanciers' Association, Inc.

...here to help CFA breeders and catteries in a time of need.

CFA has developed a program for owners of catteries who find themselves overwhelmed, or in any other way, needing help. The program provides this help and support to breeders (anonymously) through the generosity and assistance from other breeders, a variety of companies and our feline community's support and donations.

Help and support will be provided upon request. Reasons for requesting help can include:

- Number of cats are beyond care capacity
- New legislation in the area affects the number of cats
- Illness
- Disability, either temporary or permanent
- Loss of home or housing
- Unforeseen change in personal family situation
- Temporary financial hardship
- Death, without provision for the animals
- Acts of nature
- Normal retirement

No job is too big, or too small ... we are here to help. And if we can't do the job, we will find someone else who can! Just contact us. For breeders who would like information or assistance from our program, e-mail the contact for your area of the country, or e-mail help@cfabreedersassist-rescue.org.

The Breeder Assistance Program is able to help with advice, food, physical assistance, and placement of cats, if requested.

IF YOU FIND YOURSELF IN ANY SITUATION WHERE YOU NEED HELP, please email us at:
