BURMILLA RATIONALE: We are seeking additional outcross stock for our Burmilla breeding programs to increase genetic diversity, health and vigor in our current genepool. Colors and patterns of Burmillas that are possible from the mating of Burmilla to the allowable outcrosses are registered as Burmillas in other associations around the world.

They provide additional diversity to the Burmilla gene pool and bring the needed health and vigor to sustain the breed. The Burmilla Breed Council recommends that we register these cats. In addition, there is no longer a need to exclude those outcross cats with CPC in the background as DNA testing is available to exclude those cats that actually carry the color point pattern.

Do you support the Burmilla Breed Council request to expand their ability to outcross to all Silver and Golden Division Persians through December 31, 2023?
