RESOLVED: Amend the CFA Constitution, Article VI – OFFICERS AND DIRECTORS, Section 5 – Vacancies, as follows:

Vacancies in any office, except that of President, and/or any of the Regional Directors and/or any Director at Large, may must be filled by the Executive Board for the balance of the unexpired term, except as noted for Regional Directors. Should the office of the President become vacant for any reason, the Vice President shall automatically succeed to that office.

Should a vacancy occur for any reason in the office of any of the various Regional Directors and nine (9) months or more remain in the term of that office, the Central Office shall immediately notify member clubs in the specific region of the vacancy and call for declarations from candidates to be submitted to the office within thirty (30) days of said notice. Within ten (10) days after the closing date for the acceptance of declarations, the Central Office will mail ballots to eligible clubs in the region for voting and shall establish procedures for optional electronic voting as in section 2e of this article. Eligibility for voting will be limited to those member clubs in good standing not less than fifty (50) days prior to the date of the mailing of the ballots. The closing date for the return of the special election ballots to the Central Office will be sixty (60) days after mailing from the Central Office – said date to be printed on the ballot. Dated postmark stamp (provided by a postal clerk) on either the ballot or on a separate paper enclosed in the mailing envelope or the date marking Central Office’s receipt of an electronic ballot will constitute PRIME FACIE evidence of the mailing date by the voting club.

Should a vacancy occur for any reason in the office of a Director at Large, the vacancy must be filled by the Executive Board with a candidate that received votes in the immediately prior Director at Large election, and who is eligible to serve as defined under Article VI, Section 2(f), and who is willing to serve, starting with the candidate that received the sixth highest number of votes and continuing through the next highest vote recipient until the vacancy is filled.

When less than nine (9) months remain in the term of a Regional Director whose office is vacated, such office shall remain vacant until the next regular election of Regional Directors as provided for in Section 2, Elections, of this article.

PROPOSED SHOW RULE RESOLUTIONS

- 3 – Lilac Point Fanciers

RESOLVED: Amend Show rule 6.16 to allow cats with CFA registered parents to present their registration number in lieu of a pedigree to obtain a TRN. Effective Immediately.

6.16 The temporary registration number (TRN) is obtained for the exhibitor from the CFA Central Office via the Entry Clerk. Temporary Registration numbers will be issued by the entry clerk upon receipt of the appropriate TRN fee (which is in addition to the club’s entry fee), application form, and a four-generation pedigree (or whatever is required for registration of that breed if fewer than four generations are required) issued either by CFA or a cat registering body recognized by CFA, with all cats on the pedigree being acceptable for that breed per current
registration requirements. [NOTE: Bengals cannot obtain a TRN via pedigree as it will not
guarantee that the cat meets the requirements to be considered a domestic feline per show rule
2.06]. This would include longhair exotics: Exotics shown as Persians (see rule 6.08). If both parents
of the entry are registered with CFA, a pedigree is still required. The CFA registration
numbers of the parents are acceptable in place of a pedigree. The fee, application form, and
pedigree (or CFA registration numbers, if applicable) must be provided to the entry clerk no later
than the close of check-in for the show and these will be provided to Central Office in the show
package. The Entry Clerk will not issue a TRN until they are in receipt of the application, fee,
AND pedigree (or CFA registration numbers, if applicable). Upon review, which is done prior to
the show being scored, the registration number will either remain valid for 60 days from the first
day of the show, or be voided if CFA registration requirements are not met for the breed being
registered. In cases where the TRN is voided, those cats/kittens will not be included in the
Official Count for the associated category (K/C/P). Central Office will notify any exhibitor whose
temporary registration number is voided with the basis for such decision. Note: wins will also be
voided if a cat competes in a competitive category not otherwise eligible based on its permanent
registration, e.g., offspring of a “not-for-breeding” cat competing in Championship. Temporary
registration numbers will be printed in the catalog as if they were permanent. Cats may compete
and continue to earn points for 60 days from the first day of the first show where they have
obtained a TRN. That number should be used on all subsequent entries after the first show for the
60-day period or until the cat obtains a permanent registration number within that 60-day period.
At the end of this 60-day period, the cat may not be shown without a permanent registration
number. For cats to receive credit for Regional, Divisional or National points earned during a
specific show season with a TRN, the exhibitor must supply the associated permanent registration
number to Central Office by the Monday following the completion of that show season.

– 4 – Lilac Point Fanciers

RESOLVED: Add a show rule to require a uniform “no later than” show closing date. Effective
November 1st 2018.

6.36 All CFA Shows outside of China licensed pursuant to rule 4.06 shall close to all entries other than
Agility no later than 1701 (or 5:01 pm) Universal Coordinated Time (UTC) on the Tuesday prior
to the opening date of the show; shows may close prior to that time (China shows are covered by
6.35). A conversion table for some time zones is included below. A show’s entry clerk may
continue processing entries for 24 hours after the applicable closing time, but may not accept
entries after that time. Entry Clerks or a designated representative for said shows shall submit a
breed summary or a link to a breed summary for all entries and the show data file required by rule
7.03 to the CFA Central Office within 24 hours of this mandatory closing time. Central Office
will post those breed summaries or links to the CFA website or another designated CFA site as
soon as they are received. Clubs failing to submit the breed summary as required may be required
to pay the penalty specified for late show package submittals specified in Rule 13.09. It is
recommended that online entry forms made available to exhibitors become unavailable for that
week’s entries at the specified universal closing time.

RESOLVED: Amend Article XXXVI under the Awards/National Awards section to have two areas for national awards – Regions 1-9 and the International Area merged into a new International Area and China – and eliminate most point minimums as follows:

To obtain any a national award and its associated title (National Winner – NW or Household Pet National Winner – HNW) in the premiership and HHP categories in the China area, the cat/kitten/HHP must earn a minimum number of points over the duration of the show season in the category to which the award will be earned. Those minimums are as follows:

Cats failing to meet these minimums are not eligible for any a national award or title in the China area in that category in that season. The Board will review these minimums for potential adjustment for the next show season and the results of that review will be posted on the CFA website by the first of May.

And

Best of Breed/Division**
**The title of “Breed Winner” (BWR, BW for regions 1-9, BWC for China, BWI for the International Division) is limited to Championship cats receiving the above award (BEST of Breed/Division). 200 point minimum required for this award.
