CFA Central Office will remit 25% of this amount to the appropriate regional treasurers on a quarterly basis. The region will be determined by the region in which the show was held (not necessarily the sponsoring club's regional assignment).

\$1.00 per paid entry surcharge (including HHPs) is payable to CFA and to be included with the show records sent to the Central Office for International Division, Hawaii and Canadian clubs with no remittance back.)

Please note any club/show which has not paid the applicable entry surcharge will not be able to license another show until the outstanding surcharge has been paid.
