

# CFA's Distinguished Merit Cats

by Debbie Kusy

The title of "Distinguished Merit" in CFA applies to a male cat that has sired a minimum of 15 Grand Champions, Grand Premiers or Distinguished Merit cats, or a female that has produced at least 5 Grand Champions, Grand Premiers or Distinguished Merit cats. There are many in the cat fancy that treasure this title above all others – including that of "National Winner." Why? Because a DM is a cat that has contributed something long-term to the history of their respective breed. It is truly a most esteemed title.

As expected, the breed that records the most litters and kittens, the Persian breed, continues to hold the honor of having produced the most Distinguished Merit cats. There are a total of 608 Persian DMs, including 138 males and 470 females. When you consider that there are a total of 2,249 DMs, that means that 27% of all of the recorded DMs are Persians! There are 433 total male DMs, 138 of which are Persians (32%) and a total of 1,816 female DMs, 470 of which are Persians (26%). It is quite impressive that almost 1/3 of all male DMs and just over one-quarter of all female DMs are from the same breed group.

The second most prolific producer when it comes to DMs is the Abyssinian. There are a total of 238 Abyssinian DMs, 50 males and 188 females. Third highest is the Siamese, with a total of 174 DMs – 40 males and 134 females. In fourth place is the American Shorthair with 146 total – 35 males and 111 females, and in fifth place is the Maine Coon with 141 total, 25 males and 116 females. Of

course, these five breeds are also CFA's oldest breeds, and most popular on the show bench.

The male with the most qualifying offspring continues to be an Abyssinian, GC, NW Cinna's Jack Daniels of Chantebise, DM, owned by Nella Carnazzola, with 53. Second highest-producing male is GC Anz Nicholas Nickelby, DM, a blue and white Persian male, bred and owned by Anne W. Waddington, with 51 qualifying offspring. Neither of these cats are still alive; "Jack Daniels" was born in 1979 and "Nicholas" was born in 1986.

The top two female spots have not changed in several years either, highest female producer of qualifying offspring is GC Sarouk's Sundi of Placer, DM, a silver tabby American Shorthair, bred and owned by Carolyn Lyons. "Sundi" had an amazing 24 qualifying offspring. There are three females tied in third place – GC, RW Roxanne of Anz, DM, a calico Persian female bred and owned by Mark Hannon and Anne Waddington; GC Placer's Paulette, DM, a silver tabby American Shorthair female bred and owned by (again!) Carolyn Lyons; and GC, BW, NW Janvier Nicole, DM, a Chartreux bred and owned by Donald and Mary Ann Sweeters. These three girls all count 19 Grand Champions/Grand Premiers/Distinguished Merit Cats among their offspring.

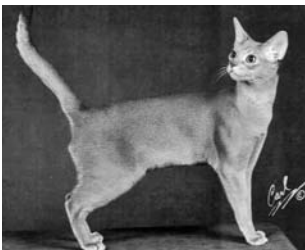

An interesting note – four of the top seven male DMs are Abyssinians. In addition to Jack Daniels, in third place is GC Pasht-Bast Braveheart of Clarion, DM, owned by Karen

and Ralph Helmrich (43); GC Purssynian Jambe Finete, DM, bred and owned by Beth and Darrell Newkirk (41); and GC, NW Badfinger's Raisin' Cain, DM, bred and owned by Laura Thompson (38). Three of these boys are ruddys, while "Jambe Finete" is a fawn Abyssinian.

In addition to Nicholas, seven of the top ten DMs are Persians: GC Copacats Marque O'Zorro of Cattrax, DM, owned by Manuel Fekete (tied at 42); GC, RW Jolee's Dune of Boberan, DM, bred by Gerrie Raicevich and owned by Randy Primer (tied at 42); GC Lullaby Abracadabra of Midas, DM, owned by Marianne Byrne (tied at 36); Softmagic Big John of Bolo, DM, owned by Lois Bantz (tied at 36); GC, RW Red Sky Wooden Ships, DM, bred by Gary Powell, C. and S. Helmke and owned by G. Powell, Bloomquist and Satterlee (tied at 36); and GC Mystichill On The Marque of Marhei, DM owned by Susan Heitman (tied at 35).

Finally, four of the top 12 male DMs are Siamese: GC Singa Mikado of Fan-C, DM, bred by Jeanne Singer and owned by Barbara Baylor (39); GC New Moon's Eclipse of Rogers Hts., DM, owned by Willa K. Rogers (Hawke) (tied at 36); GC, NW San-Toi's Legend of Skan, DM, owned by Ann H. Leaty (tied at 32); and Sandollar Blue Money, DM, owned by Shannon Ramsey and bred by Shannon Ramsey and J. Drinkwater (tied at 32). Three of four of these boys were very predominant seal point males, while "Blue Money" was a blue point.

The female DMs are very interesting – two of the top five are American Shorthairs

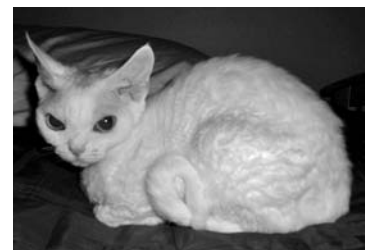

GC Purssynian Jambe Finete, DM, fawn Abyssinian male. The Midwest Region's 2nd Best of Breed, 1998. Br/Ow: Beth and Darrell Newkirk.

GC, RW Spellbound McGyver, DM, a brown mackerel tabby and white Exotic male. The North Atlantic Region's 14th Best Kitten and 3rd Best of Breed, 2000. Br/Ow: Bob and Diane E. Deibert.

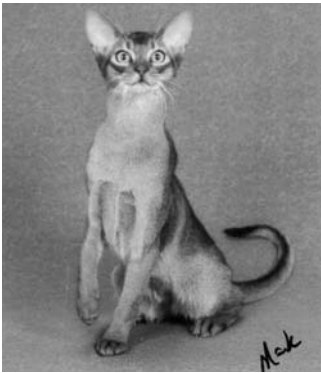

CH, RW Kurisumasu Jitto, a blue and white Japanese Bobtail Longhair male. CFA's 2nd Best of Breed and the Northwest Region's 12th Best Cat and 2nd Best of Breed/Division, 2002. Br: Marianne Clark and Carey Holm. Ow: Marianne Clark and Debbie DeLong.

and two others are Chartreux. While American Shorthairs are often seen on the show bench, Chartreux are considered to be a "minority" breed. As mentioned previously, GC Sarouk's Sundi of Placer, DM, still places the highest among the female DMs; GC Placer's Paulette, DM and GC, BW, RW Janvier Nicole, DM, a Chartreux, are tied at second with 19 qualifying offspring; in fifth place is GC Katoklix Isabelle of Janvier, DM, bred by Marcus and Gena Click and owned by Donald and Mary Ann Sweeters (tied at 15 with two other cats).

Although they've not been breeding for a number of years, Greg and Judy Brocato (South Paw Persians), continue to lead the way with 27 DMs; second is Bob and Janet Bassetti (Bassetti's Japanese Bobtails) with 18 DMs; and two breeders tied at third – Wain Harding (Bastis Abyssinians and Persians) and Marianne Clark (Kurisumasu Japanese Bobtails), each having 16 DMs. Tied in fourth place are Mary Jo Mersol-Barg (Sol-Mer American Shorthairs) and Karen and Ralph Helmrich (Clarion Abyssinians) with 14 each, and in fifth place is Margot Mellies (Miribu – several different breeds) with 13.

Enough of statistics and trivia – my favorite part of this article is the personal stories of achievement, including "firsts" for their breed. Some are small stories, some are bigger, but all are important.

For "firsts" of color – Nikki Crandall-Seibert (Rockinashi Japanese Bobtails) reports that her blue-eyed white female, CH Rockinashi Yukimatsuri, DM is the first solid white Japanese Bobtail to DM and only the second solid Japanese Bobtail to do so (there is a solid black male). In a breed that is dominated by bi-colors and mi-kes, this is quite unusual.

Donna Stewart (Brenwood) and Patti Kendziora are very proud to be the owners of the first blue Burmese DM, CH Brenwood Grace, DM. "Grace" is the proud mother of GC, RW Brenwood Fig Newton, GC Brenwood Zydeco, GP Brenwood Blueberry Buckle of Ansata, GP Brenwood Yankee Doodle Dandy and CH, GP Brenwood Butterfly McQueen, DM. Of the five grands which qualified Grace, four were blues, "Fig Newton" being the only exception. Burmese are definitely dominated by the Sable Division, so this is a very nice achievement for Donna and Grace. Donna would like to acknowledge Carolyn Osier for helping to get the dilute Burmese accepted in CFA and Michele Clark, who showed the first dilute Burmese to a national win.

John and Robin Beckett (Rustling) are the proud owners of CH Truebrit Cadeauje of Rustling, DM, the first black and white British Shorthair DM. Robin states that "Cadeauje" is their foundation dam. Her grand offspring are GC Rustling's Positively Primetime; CH, GP Rustling's Positively Black Prince; CH, GP Rustling Positively Harris's Plaid; GC, RW Rustling Renegade of Stonehaven; and GC Rustling Blac Forest of Brittsweet. In a breed whose standard favors the male cat, Cadeauje

leaves a legacy of three generations of female Grand Champions. Cadeauje was bred by Colin and Jo Cornwall, who DM'd another British Shorthair on the same weekend. Way to go Brits!

Ragdolls have only been able to be shown in championship in CFA since 2000, and they claimed their third female DM in this past show season (there still are no Ragdoll male DMs). Liz Thurman (Bordeaux) reports that her CH Solemate Wish Upon a Star, DM (known at home as "Chrissy") produced her five grand offspring all with GC Dollhouse Designer Blue Genes. Chrissy is a blue point and white female, who decided that she didn't care for the show ring and thought that if she kept her eyes shut during the judging, no one could see her. Liz decided to pull her and breed her; Chrissy proved herself far more adept as a breeder than as a show cat. Liz reports that unlike their mother, her offspring all love the shows. One of her sons, GP, RW Bordeaux Ltd's Kitt 'N Boots was a RW last season and is the highest-scoring Ragdoll premiership cat to date.

In another first, Marianne Clark (Kurisumasu) DM'd a mi-ke Japanese Bobtail female of unknown parentage. GC Key of Kurisumasu was a beautifully colored mi-ke "street" cat in Japan, owned by Mr. and Mrs. Kojima of Tokyo. Wain Harding saw her in a kitten class in Japan and put Marianne in contact with her owners. The cat then moved to the US, graded and became a DM – surely a rags to riches story! Marianne DM'd three other cats this year, including GC, RW Kurisumasu Jitto, DM, a blue and white blue-eyed longhair male. "Jitto" was Second Best of Breed nationally in 2001-2002. He also sired two Best of Breed Longhair Japanese Bobtails and is the fifth in a line of DMs, starting with GC, RW Kurisumasu Tombo, DM. "Tombo" is the sire of another of Marianne's 2004-2005 DMs – CH Kurisumasu Joobachi, DM, an odd-eyed mi-ke. Marianne's last DM this year is GC Kurisumasu Mikikuchi of Gulfcats, DM, owned by Paul and Toni Huff. "Kuchi" is a fourth generation DM and a great grandchild of Tombo.

Mary Sietsema (Telecoons) is a proud relative newcomer or "newbie" in CFA. Mary says that she and her daughter started by showing two Maine Coons to their grand and one of them to a regional win in premiership. They then decided to acquire a female and get into breeding. They purchased CH Kanab Luanne Rachel of Telecoons, DM, a brown patched tabby and white female, bred by Trisha Swisher and Susan Blevins. "Rachel's" first litter was seven healthy kittens, of which they kept the male, GP Telecoons Chandler Bing. Rachel continued to have easy kitten deliveries and produce healthy kittens of good quality. She subsequently produced GC, RW Telecoons Colby; GC, RW Telecoons Geordi La Forge; GC, RW Telecoons Tom Cruise of Bepaws and GC, RW Telecoons Frank Jr Jr of Luckypaws. Rachel earned her DM title just after her fifth birthday – four of her

qualifying offspring were regional winners and two were double regional winners. Mary states that her DM's story is a good sign of what IS possible for the newcomers in CFA, if they are guided down the right path and have good mentors and friends in the fancy.

Another first – the 2004-2005 show season produced the first Colorpoint Shorthair male DM in CFA. The breed was accepted in 1964 and boasted 14 female DMs; however, several males had come close but were never able to finish. In December of 2004, GC, RW Casadecano's Reno of Teakatut, DM, a seal-lynx point Colorpoint Shorthair male bred by Pat Decano and Ann H. Leaty, granded his 15th offspring. "Reno" counts among his offspring a total of 18 grands, four regional winners, one national breed winner and one national winner in premiership. Not bad for a kitty that the owner offered to Gail and Sandi because he had "too many stripes." Owners Sandi Douglass and Gail Moser (Teakatut) were understandably very proud and happy, especially Gail, since Reno DM'd on her birthday – a marvelous birthday present, and many were present to cheer him on.

Diane and Bob Deibert (Spellbound) are proud of their Exotic male, GC, RW Spellbound McGyver, DM. Diane is especially proud of "McGyver" as he is only the seventh male Exotic DM (there are also 27 female DMs), and all of his grand offspring are Spellbound grand champions and/or grand premiers.

Another of this year's Exotic DMs is CH Calivan's Camille of Pensfordhill, DM, bred by Kathleen Holohan Fisher (Calivan) and owned by Jim Fleeker – the first one-litter Exotic DM! "Camille" is a black female; four of her grand offspring are copper-eyed whites and the fifth is a black male. Camille was bred to GC Ebonez Magical Memories, a copper-eyed white Persian male and produced all shorthair (Exotic) kittens: GC Pensfordhill New Dawn; GC Pensfordhill Free To Be Happy; GC, GP Pensfordhill Ebonez-Er of Calivan; GC Pensfordhill Dakotah of Kitty Charm; and GP Pensfordhill Matrix Neo all granded and created history.

Wendy Renner (Dilettante) proves that not all cats who become great producers have to be great show cats. Her gold-eyed white Devon Rex female, Dilettante Crystal Singer, DM, picked up a very bad eye infection at her first kitten show and was never shown again. However, Wendy bred her and she produced healthy, typey kittens. One of her daughters, GC, BW, RW Dilettante Snow Ruby of Jobara was the 2004-2005 Best Devon Rex nationally, and a littermate, GC, DW Dilettante Snow Crystal, was a winner in the International Division. "Snow Crystal" is from a line of Devon DMs, including her grandmother ("Turtle") and great-grandmother ("Truffles").

Bev Frenzel (Injoi) is the proud breeder of GC, RW Injoi's Blushing of Fuzzy Foot, DM, a chestnut patched ticked tabby Oriental Shorthair female. Bev states that "Blushing" is the seventh in a line of all

red-factor Oriental Shorthair DM females, which include her mother, GC Injoi's Blushing Angel, DM. "Angel" actually DM'd the weekend after her daughter, keeping the line intact. Bev reports that she has a red factor daughter of Blushing, who already has one Grand Champion from her first litter, and wonders if she wants to go for number eight in the line – and decided that we all need a goal...

Speaking of chains, several of the "minority" breeds have some truly interesting chain DMs to brag about this year. Sandy Gohr (Zodiacal) DM'd her Somali girl, GC Zodiacal's Pizzaz, DM. "Pizzaz" is the daughter of CH Zodiacal Hayleys Comet, DM, who is the daughter of CH, PR Scrachinpost Lady Hayley, DM. "Lady Hayley" was Sandy's first Somali – another great achievement for a relative newbie.

Sig and Sharyn Hauck (Caricature) state that when CH, GP Caricature's Audra McDonald granded on 2/26/05, she DM'd both of her parents (GC, RW Caricature's Isaac Hayes, DM and GC, RW Caricature's Sonya Sanchez, DM). This also DM'd her great-grandmother, CH Bijouxcats Rosa Parks of Caricature, DM, and her grandmother, GC Caricature's Sojourner Truth, DM. Amazingly, this family tree of DMs was created in a scant sixteen months. During this same period, "Audra's" aunt, CH Caricature's Jamaica Kincaid, DM (also the dam of GC, BW, NW Caricature's Colin Powell, CFA's Best Cat, 2003-2004), became a DM too. "Sojourner Truth" had three grands in one litter and two in the next. "Sonya Sanchez" had four grands in one litter and two in the next. In addition to siring "Colin Powell" during this period, "Isaac Hayes" sired three litters with two grands in each, two litters with three grands in each, as well as the litter of four grands with Sonya Sanchez. Importantly, the careful selection of breeding pairs also resulted in accomplishing this record without any inbreeding and only one instance of line breeding. The breed's recent success in the show ring had put the Bombay back on the map, to the point where the author of this article was recently asked by a spectator if a Burmese benched next to me at a show was a "brown Bombay!"

One other remarkable chain occurred in the Egyptian Mau breed. The ranks of the Egyptian Mau DMs increased by 25% on one momentous day in February 2005, when GC Matiki's Kiya of Mauisha became a grand, initiating a chain reaction that created four DMs in one day. This included the first ever third generation Egyptian Mau DM, CH Sharbees Rust In Peace of Matiki, DM; and the fourth generation DM, DD Daisy of Sharbees, DM. "DD Daisy," a bronze female owned by Sharon Partington, is actually behind four generations of DMs that include both silver and bronze grand offspring. She is also the grandmother to the breed's first bronze DM, GC, Sharbees Mauria Tu of Ramah, DM and the dam of the breed's first and only bronze national winner – GC, BW, NW Sharbees Scarlet O'Hairy of Matiki. Her qualifying offspring include one national breed winner, one

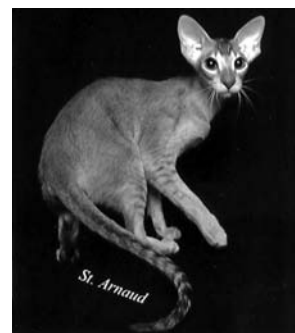

CH Rockinashi Yukimatsuri, DM, a blue-eyed white Japanese Bobtail Shorthair female. Br/Ow: Nikki and Cory Crandall-Seibert.

GC, RW Casadecano's Reno of Teakatt, DM, a seal-lynx point Colorpoint Shorthair male. The Great Lakes Region's 22nd Best Cat and 2nd Best of Breed, 1999. Br: Pat Decano and Ann H. Leaty. Ow: Sandra Douglass and Gail Moser.

national winner and one regional winner. Very impressive for the little spotted cat.

In the category of quickly-produced DMs, GC, NW Truluck Almost Famous of Bastis (aka "Buddy"), bred and owned by Gina Wiley (Lehman) and Wain Harding, surely ranks right up there. Buddy is a ruddy Abyssinian male born in Gina's first litter of Abyssinians in 2001. He was CFA's 13th Best Kitten in the 2001-2002 show season, as well as 3rd Best Kitten in the Southern Region. Buddy was shown from the end of December to the end of March – not the best time for kitten counts. He granded easily in the new season, went for a short "vacation" with Sue Truesdell in New Mexico, and then on to live with Wain Harding in December 2002. Buddy's first offspring granded in May 2003 and the last in February 2005, a mere 1 year and 9 months between the first and the 15th grands – Buddy was still only 3 years and 5 months old. He counts among his offspring GC, NW Truluck Hot Rocks of Thorsgard, CFA's Best Cat in Premiership, 2003-2004; GC, BW, NW Bastis TheEnvelopePlease of Anubis, CFA's 13th Best Cat and Best of Breed Abyssinian, 2004-2005; and GC, NW Bastis MidniteAtTheOasis of Tinbats, CFA's 9th Best Kitten, 2004-2005. He now has 17 grand offspring, and another son, GC Tinbats Over Exposure of Esent, is currently a nationally ranked kitten. Buddy was neutered in February 2005 and is now living in retirement with his grandmother, Bastis Sophie Rose, DM. There are quite a few DMs in Buddy's pedigree, including his sire, GC

Maboo Kris Kringle, DM and his mother, GC Bastis Penny Lane of Sourirbleu, DM. Three of his four grandparents were also DMs.

I previously mentioned GC Purssynian Jambette, DM, as being in the top seven of high-ranking DM males. While "Jambette" is still actively producing kittens and grands, he has also found pleasure in the Veterans Class in CFA. Last June, Jambette competed in the Veterans Class at the Abyssinian Midwest Breeders show and was named Best Veteran in all four rings! Proud daddy Darrell Newkirk reports that they had not shown Jambette in competition since he was about a year and a half old, but he remembered the show ring like a charm. He crawled up around Darrell's neck when Judge Kim Everett did her presentation, being a complete ham! So in addition to continuing to produce grand champions and grand premiers (three in his last litter granded), Jambette proves that the old guys can still have fun in the show ring – the Veterans Class is a fantastic way to show off our older cats in the show ring.

It was truly a pleasure gathering these stories for this year's article – it is clear to me that the DM title is a very coveted one by cat breeders. These owners have every right to be proud – the DM title shows success in their breeding programs. Many of these cats go on to contribute much more to their individual breeds, including a rich tradition of wonderful, pedigreed cats – cats that are necessary if the breeds are to go on thriving. Our hats are off to all of them!\*

CH Brenwood Grace, DM, a blue Burmese spay. Br: Donna Stewart. Ow: Patti Kendziora and Donna Stewart.

GC Zodiacal Pizzaz, DM, a red Somali female. Br/ Ow: Sandra Gohr.

GC, RW Caricature's Isaac Hayes, DM, a Bombay male. CFA's 3rd Best of Breed, and the North Atlantic Region's 16th Best Cat and 2nd Best of Breed, 2002. Br. Ow: Sharyn and Sig Hauck.
