

CFA's Distinguished Merit Cats

by Debbie Kusy

For those that may not know, the title of Distinguished Merit or DM is reserved for those males that have sired at least 15 grand champions, grand premiers or DMs and those females who have thrown at least five grand champions, grand premiers or DMs.

For some breeds this seems to come easily; for others it may take a long time, many years in fact. The Turkish Angora breed has been in CFA for many years, but the 2005-2006 show season produced the first Turkish Angora male DM. The American Wirehair and the European Burmese breeds are both much younger breeds, at least in CFA, and last show season was a good year for both of those breeds. The European Burmese breed had their first DM, a female, in only their fourth year on the CFA show bench, and the American Wirehair saw its first male DM.

As I have written in these articles in past years, for many the title of DM is more precious than even that of National Winner (NW). A DM is a cat that has demonstrated that while it may or may not win in the show ring, it can produce offspring that continue to offer something to the future of their breed, a legacy that will be respected and admired for many years to come. I like to compare this to thoroughbred horse racing – the 1970's produced two great winners on the race track – the great Secretariat won racing's Triple Crown in 1973, along with many other races, and the magnificent Seattle Slew was the first undefeated Triple Crown winner in 1977, plus went on to win many races. These two great racehorses never met each other on the track and while Secretariat may be better remembered for his wins on the racetrack, Seattle Slew is the one that has given more to horse racing through his many winning offspring. If you compare their race records, the two boys were very comparable, but when you look at their offspring, I believe that Seattle Slew has given far more back to the racing game and his legacy will live on for many years to come. Distinguished Merit cats offer that same legacy – it is a much sought-after title and one to be proud of.

Now, for some facts: The top spots among the DMs have shown little change in the last ten years or so. Two of Carolyn Lyons' silver tabby American Shorthairs: GC Sarouk's Sundi of Placer, DM, with 24 grand offspring and GC Placer's Paulette, DM, with 20 grand offspring, are still at the top of the female heap; along with Pawaw's Crowheart SOS of Wildtracks, DM, a chocolate spotted Ocicat owned by Sue Riley and Mark Henrichs; with 20 grands. Two girls are tied for third place, with 19 grands: a calico Persian, GC, RW Marcus Roxanne of Anz, DM, bred and owned by Mark Hannon and Anne Waddington; and a Chartreux, GC, BW, NW Janvier Nicole, DM, bred and owned by Donald and Mary Ann Sweeters.

The boys haven't switched much either – remaining at the top is a ruddy Abyssinian, GC, NW Cinna's Jack Daniels of Chantebise, DM, owned by Nella Carnazzola, with a stunning 53 grands. A

close second is a blue and white bi-color Persian, with 51 grands, GC Anz Nicholas Nickleby, DM, bred and owned by Anne Waddington. Still in third place with 44 grands, is another beautiful Aby, GC Purssynian Jambe Finete, DM, bred and owned by Beth and Darrell Newkirk. In a tie for a close fourth place are two cats with 43 grands: Yet another ruddy Abyssinian, GC Pasht-Bast Braveheart of Clarion, DM, owned by Karen and Ralph Helmrich; and a cream Persian, GC, RW Jolee's Dune of Boberan, DM, owned by Randy Primmer.

In the 2005-2006 show season, two breeders both attained three DMs: Julie Collin bred three Birman Distinguished Merit cats – GC Pleasantview Meerclar, DM, GC Pleasantview Unbridled, DM and GC, RW Pleasantview X-Kitten, DM; and Lisa Smith bred three Persian DMs, GC, RW Catillak Light My Fire of Rhamjoge, DM, GC Catillak This Time Around, DM and GC Catillak's Pass Me Not of PaJean, DM. A grand total of 152 cats DM'd in 2005-2006, of which 29 were males and 123 were females. As would be expected, Persians are at the top of the leader-board with a total of 35 DMs, which represents 23% of the total DMs for the period. Maine Coons were second with 15 DMs, followed by Siamese with 11 DMs and Cornish Rex with nine DMs.

While all DMs are special, every year there are some that achieve firsts or milestones within their breed. One of the cats that accomplished that in the 2005-2006 season is GC, BW, RW Kaeleron Killian's Irish Red, a red mackerel tabby and white

GC, BW, RW Kaeleron Killian's Irish Red, DM, a red mackerel tabby and white Turkish Angora male. CFA's Best of Breed and the Southern Region's 20th Best Cat and Best of Breed, 2002. Br: Barbara Azan and Kaelynn Moury. Ow: Kaelynn and Jan Moury.

Turkish Angora male, bred by Barbara Azan and Kaelynn Moury and owned by Kaelynn and Jan Moury. "Killian" is the first Turkish Angora male to achieve the DM title. In addition, he is an "other-colored" cat in a breed where white is still generally the preferred color. In addition, 13 of his 15 grands were also other colored. Killian is also the first Turkish Angora to hold four titles – Grand Champion, Breed Winner, Regional Winner and Distinguished Merit. His dam, GC, BW, RW Azima's Rebecca Dew of

Kaeleron, was the first colored Turkish Angora to earn Best of Breed in CFA. Killian was born on September 4, 2000 and earned his DM title on March 11, 2006 – not bad for a minority breed!

Jan says that Killian continues to be a very sweet boy who passed his wonderful, easy-going personality on to his offspring.

Since he never learned to spray, he now lives most of the time with Kaelynn at vet school, along with her collie, Maine Coon and rescue cat.

Another first among the boys is the first American Wirehair male DM, GC, RW Briar-Mar's Goldeneye of Brilllocatz, DM, a gold-eyed white American Wirehair male. Better known as "Sean" by his breeders Gary Veach and Omar Gonzalez, he was one out of a litter of three kittens and the only wired kitten. His sire is GC Sol-Mer Polar Bear and his dam is GC Veach's Mrs. Doubtwire of Briar-Mar. Sean started his show career young, as he was shown as a companion to one of Gary and Omar's Persians, GC, NW

Briar-Mar First Kiss. At first he was taken to the shows just for fun, but it was apparent after his first show that he was going to be a force to be reckoned with. He possessed incredible size and balance, which some felt was lacking in the breed at the time. His wonderful dense, resilient coarse coat and type could not be denied by the judges. Robert Bradshaw, certainly one of the pioneers of the American Wirehair breed, awarded him numerous Best Allbreed Kitten awards, a feat that was rare from a man who had helped to pioneer the breed and was therefore often extremely critical of this breed whenever he encountered them in the show ring. Sean earned a regional kitten win with little effort and was a two-show grand. At the time Gary and Omar were concentrating on their Persian breeding program and when Sharyl Pistulka expressed an interest in the breed, they offered him for her breeding program. Sharyl bred Sean twice to her straight-coated DM and the matings produced a total of ten kittens, nine of which went on to grand. She later bred him twice to her wirehair DM; these breedings produced a total of eight kittens, six of which granded, with two more nearing their grand titles. To date, Sean has produced 16 Grand Champions/Grand Premiers, with others close to their titles and another litter on the way. Sharyl, who has since passed on, worked diligently and granded each one of these cats herself, and for this Gary and Omar are eternally grateful to her. Were it not for her determination, the DM title would never have been earned, and certainly no one could say that Sharyl was not a 'determined' person.

Sean's progeny has contributed a great deal to the American Wirehair breed. His white daughter GC Brilllocatz Peggy O'Neill is the dam of GC, NW Brilllocatz Curley Sue, who was CFA's Third Best Kitten in the 2002-2003 show season. Congratulations to Gary, Omar and to Sharyl for their hard work with a minority breed.

Yet another of our minority breeds, and even one of our newer breeds on the CFA show bench, celebrated some milestone DMs in the 2005-2006 show season. GC, RW Bodyguard's Orange Dream Sickie, a red European Burmese female, bred by Ann-Louise De Voe and Maria Barrow and owned by Ann-Louise De Voe, is the first European Burmese female to DM while also claiming a GC title. She was also the first European Burmese kitten to achieve an RW title, which happened in the breed's first year in championship – 2002-2003. The following year, she partially stayed at home to

raise her first litter of kittens. She was shown again for a few months in 2003-2004 and achieved another RW title in championship, in addition to placing as CFA's Second Best European Burmese. "Dream's" sire, CH Bonneau's Mazcot of Bodycharm, was imported from Sweden and her dam, Bes Mystical Dream, was from a breeding between a sire from England and a dam from Australia. She was first bred to a male from France; in her first litter she produced seven kittens and her first two grands, a GC and a GP.

Two of the kittens were sent to Holland to be used in breeding programs there. Dream was bred again to the same boy and this time produced five kittens, one of which granded in championship and two in premiership, completing her DM title. Truly this was an international effort!

The European Burmese breed also celebrated their first DM in the 2005-2006 show season, CH Bondi's Chantilly of E-Burm, DM, bred by Wayne Trevathan and owned by John and Maryellen Miranda and their daughter Melonie. "Chantilly" was first bred to CFA's first GC European Burmese, GC Bondi's Man From Snowy River. This litter produced seven beautiful kittens and three of the offspring granded, GC E-Burm's Ramblin Man, GP E-Burm's Harveys Bristol Creme and CH, GP E-Burm's Pina Colada. Chantilly was then bred to CH, PR Rumba Olivertwist of E-Burm, bred by Helen Marriott-Power, who was a GCCF judge for 20 years. That litter produced eight kittens and a gorgeous chocolate tortie female who granded quickly, GC E-Burm Simply Irresistible. One more breeding to this same boy was done, producing four kittens, including GC E-Burm's Layla, CFA's first blue-tortie European Burmese grand. Known for her adorable "squeak" when being taken to the judge's stand, she completed the DM title for Chantilly, making her the first European Burmese DM.

Another minority breed celebrated a lovely female DM this year: CH Norsestar's Ariel of Jotunheim, DM is a brown tabby and white

CH Norsestar's Ariel of Jotunheim, DM, a brown tabby and white Norwegian Forest Cat female. Br: Scott and Margie Nelson. Ow: K. Bock, W. Wharton and L. Forlano.

Norwegian Forest Cat female. "Ariel" was bred by Scott and Margie Nelson, who also bred the first national winning Wegie. She was originally owned by Lynn Forlano of Jotunheim Cattery who offered her to Katherine Bock and Will Wharton for breeding. Katherine jumped at the chance, as she was already familiar with her. Both Keith

Kimberlin of Kitzn and Deb Dursky and Libby Watkins, of Thorsgard, had already used Ariel for breeding and all had granded offspring from her. Katherine and Will took the four-year old girl to two shows and she earned 195 grand points – but Ariel had OTHER plans. She demonstrated her intense dislike of the show hall and Katherine and Will decided to breed her. From her first breeding for Katherine and Will, she produced a beautiful litter of five kittens, three of which granded and finished her DM title, giving Katherine and Will their first DM. Katherine says that some day she may try to get Ariel out for the five points needed to grand her, but in the meantime she feels very fortunate to have had her in her life, and adds that Ariel is very much the lady of the house, a wonderful mother and a beautiful example of her breed.

Marianne Clark continues her string of DMs with this year's

CH Kurisumasu Shanpen, DM, a cream tabby and white Japanese Bobtail Shorthair male. He is the first of that color to DM with the Japanese Bobtail breed, and was ten years old when he finished the title. "Dommy" would have been neutered earlier, but he is an "easy keeper" – like Killian, he never learned to spray (hear that boys!), he woos the girls with sweet talk and is an absolute love bug. Shanpen means "Champagne" in Japanese, hence the nickname. Both of Dommy's parents are DMs; his sire is GC Kiddlyn Sings The Blues, DM and his dam is GC, RW Kurisumasu Amakuchi, DM. Marianne is grateful to Linda

Donaldson for the stud service to "Sings The Blues" those many years ago. Dommy includes among his offspring another DM: CH, GP Kurisumasu Kyokko, DM, an odd-eyed dilute mi-ke Shorthair and two regional winners. One of Dommy's sons, GC Kurisumasu Haru Hi, is now living in South Africa! Dommy is now retired from breeding and living the good life!

Another special DM is CH Catcharm Allspice of Magnicats, DM, a dilute calico Persian female bred and owned by Kristine and Warren Joubert. She is the fourth in a line of DM females, and almost all four were achieved in successive seasons! "Allspice's" dam, Catcharm Cherry Jubilee, DM, achieved her DM title in the 2002-2003 show season. "Cherry's" dam, Catcharm Quatre, DM, earned her title in the 2003-2004 show season and HER dam, Chez Mana Ratatouille of Catcharm, DM, achieved her title in the 2001-2002 season. The only one-year span that was missed in this chain was the 2004-2005 season, but a chain of four mother-daughter DMs in a five-year period is pretty remarkable. Three of these girls never even earned their Champion title, proving that the best breeders are not always the best show cats. Congratulations to Kristine and Warren on this string of great ladies.

A flame point Himalayan female, CH Playwickey Cassis of Sulltans, DM, bred by Diane Castor and owned by Nancy Sullivan, produced her five grand champion offspring all from breeding to one male, GC, NW Sulltans Spinductor. One of "Cassis's" children is a national winner, GC, BW, NW Sulltans Snuggles, plus a second

one is one the same track this year, GC, BW, RW Sulltans Spin To Win. Some breedings just really click!

Peg Johnson of Heartbeeps Cattery produced two Russian Blue DMs this year: GC, NW Heartbeeps Malibu, DM and GC, NW Velva's Bulletproof of Heartbeeps, DM. "Malibu" was CFA's 20th Best Cat, 2000, and is a third generation DM. Her grandmother is CH Heartbeeps Pina Colada, DM and her dam is GC, NW Heartbeeps Margarita, DM. Malibu is not only a second generation national winner, but she has produced a National Winner in her son: GC, NW Heartbeeps Stardust was CFA's Second Best Kitten, 2006.

In addition, GC, NW Velva's Bulletproof of Heartbeeps, DM was CFA's 16th Best Kitten, 2001, and represents over 30 years of national winners and star producers for Bob and Diana Doernberg of Velva Cattery. Malibu and "Bulletproof" prove that some national winners are stars in more areas than just the show ring.

What a good year for the Russian Blues – while Velva Cattery has been around for over 30 years, relatively new Russian Blue

breeders Jay and Gina Lehman bred two DMs this year. The first, GC Wynterwynd Mermaid of Naboo, DM, a.k.a. "Petunia" or "Toonces" and bred by Annette Wilson, DM'd on the first weekend of the 2006 show season. Included among her offspring is GP, NW Naboo Blue Spruce. Two weeks after Petunia DM'd, so did one of her daughters, GC Naboo Mountain Laurel, DM, owned by John Presley. Each of "Laurel's" offspring were two-show grands. Jay says that he considers his season very satisfying because of his two DMs, and that they are the result of many Russian Blue breeders working together, not only in the sharing of different lines, but in the encouragement given to produce quality. Jay and Gina want to thank those who

worked hard before them to make the Russian Blue the sweet-tempered and popular cat that it is today.

In going over the list of DMs I also noticed that a cat from Hawaii DM'd this year. GC Kamu Mad Magda, DM, an odd-eyed white Oriental Shorthair female bred and owned by Samuel J. Moore, achieved her DM title. Since there are so few shows in Hawaii, this is a nice achievement.

Congratulations again this year to all those that produced a Distinguished Merit cat in the 2005-2006 show season. These Distinguished Merit cats are the cats that hold CFA's future in their wonderful gene pool. We are merely the caretakers of those cats and this is a great responsibility that we hold in our hands. Best of luck to all!*
