## My Vision for CFA

- ◆ I bring over 60 years of service and dedication to CFA. I believe we have a duty to preserve pedigreed cats, as well as protect and defend the welfare of ALL cats.
- ◆ I am passionate about CFA, its programs, purposes, and the quality of our registry and our Judging Program. We need to strive to make the Cat Fancier's Association a name recognized in households as the feline version of the American Kennel Club.
- ◆ CFA is recognized as the Premier Cat Association. It is our duty to progress, adapt, and develop to protect our hobby, our clubs and exhibitors by maintaining our standards, expanding our influence and participation worldwide.
- ◆ We need to embrace the technology of the 21<sup>st</sup> century. We need to streamline our services and make it simpler and faster to use them.
- ◆ We have the most beautiful cats in the world, and when in the show hall, we need to nurture an atmosphere of friendliness, support, sportsmanship and pride to fellow exhibitors and spectators.
