

ELECT RUSSELL WEBB for CFA Director at Large

It is with great pleasure that I find myself looking forward to having the opportunity to serve you as a CFA Director at Large. Since this can only be achieved by your vote, I am writing to request your club's support in the upcoming CFA Director at Large election.

My status as a CFA Allbreed judge has provided me the opportunity to judge numerous CFA shows around the globe. My travels have provided me the opportunity to talk about the problems firsthand with our clubs, breeders and exhibitors. These discussions have broadened my knowledge about the issues that face CFA, and its clubs, currently today. The input for clubs and exhibitors is important to the elected officials in CFA. Additionally, the input from clubs and exhibitors will provide the needed viewpoint from our constituents.

I support CFA 100%, its clubs and YOU - our breeders and exhibitors. Every voice is important and as your elected representative, **I will listen**. By doing so, I will work along with other Board members to arrive at decisions which will best benefit you and the future development of CFA.

As most of you are aware, CFA is facing many challenges today in regard to the successful reopening of our show due to COVID-19 restrictions. There is progress being made. It is important that a clubs return to show production in a manner that is safe for exhibitors, show personnel, and judges. CFA clubs, many which are located globally, are anxious to begin show production as we emerge from this Pandemic crisis. The clubs face many challenges to host a CFA show. There are governmental, state, and local laws, in addition to the CFA COVID-19 guidelines, that must be taken into consideration.

CFA, as an organization, has a well deserved reputation globally. With my financial background, I can attest to the well positioned financial health of CFA. I would be honored to receive your club's vote to be a part of the CFA Board's decision making process to further advance CFA into the future.
