SHOW RULE ADDENDUM

May 1, 2021 – April 29, 2022

The following show rule exceptions were put in place for the duration of the 2020-2021 show season. These exceptions have been extended into the 2021-2022 show season for its duration unless otherwise noted in the exception. In other words, for the 2021-2022 show season, if a rule number/Article is listed here, the rule stated in the current show rules is NOT in effect. The exception stated is the actual rule in effect, and it is only in effect for all or part of the 2021-2022 show season.

2.34

A TRADITIONAL DATE occurs when a club holds a show for two (2) consecutive years on the same weekend (also referred to as date). Traditional dates come in two types: fixed, i.e., a specific weekend of the month such as the first, second, third, or fourth (note – the fifth weekend of a month can never be a traditional date as there are at least two consecutive years where the weekend does not exist); or floating, i.e., tied to an event such as Easter, a national holiday, the last weekend in the show season, etc.

For clubs that hold a show on a biennial basis, i.e., every other year, their traditional show date will be month, weekend and either odd or even to indicate the year of the show. These clubs will lose the distinction of having a traditional date after a show is not held for two (2) consecutive show dates starting with May 1, 2023. Clubs that do not hold a show for two (2) consecutive years starting on or after May 1, 2023, on their traditional date will lose the distinction of having a traditional date weekend. The failure of a club to hold a show before May 1, 2023, will have no effect on that club's traditional date.

3.09

A binding contract may be abrogated or renegotiated by mutual agreement of the parties thereto, or cancelled by a judge up to six weeks prior to the opening day of the show. The previously contracted judge may exhibit at a show that weekend.

3.10

Deleted for the 2021-2022 show season.

3.11

Deleted for the 2021-2022 show season.

3.13

Hereby amended to allow up to 50 percent guest judges, regardless of number of rings licensed, for shows held in Regions 8, 9 or the International Division. The rule as published still applies fully for Regions 1-7.

27.03a

Modified to reduce the number of judges required to award qualifying rings to obtain the champion or premier title to a total of two (2) judges from whatever is otherwise listed in the printed rules.

27.03a, 28.01, and 28.04

Modified for the current show season only to allow a cat to become a grand champion/premier if it has the required number of points for its area of residence regardless of how many qualifying rings it has toward the champion/premier title, PROVIDED, that a champion/premier claim form and the associated fee have been filed with Central Office. That is, a cat with 200 grand champion points and four qualifying rings in North America will be awarded the Grand Champion title upon receipt of the champion claim form and associated fee in Central Office. This applies only for the duration of the 2021-2022 show season.

Article XXXVI - National/Regional/Divisional Awards Program Scoring, fourth paragraph regarding exhibiting in the region of final assignment

Modified that a cat will be eligible for a regional/national/divisional award, even if it has not attended a show within its regional/national/divisional area ONLY if there were no shows held in its regional/national/divisional area when the cat/kitten was eligible to be shown during that season. For example, a kitten showing in Region 2 could earn a regional award even if it never attended a show in Region 2 only if there never was a show in Region 2 to attend while the kitten was showing as a kitten. If there was a show in Region 2, the kitten would only be eligible for a regional award if it went to that or other Region 2 shows at least once that was held in Region 2 while the kitten was showing as a kitten. To put it another way, if there is at least one show in every region and divisional area, this exception would not apply anywhere.

Article XXXVI - National/Regional/Divisional Awards Program Awards - International Division Awards

Amended to allow shows in Hong Kong to count a Super Specialty ring as two rings towards the formula for the number of awards in Hong Kong for the 2021-2022 season only.

Article XXXVI - National/Regional/Divisional Awards - Scoring

Revise the first two paragraphs as follows: At the completion of the show season, a cat/household pet (adult or kitten) will be credited with the points from its highest 50 individual rings. For a kitten award, the kitten will be credited with the points from its highest 20 individual rings earned as a kitten, to be credited in the show year in which its last full weekend of kitten eligibility falls, regardless of the show year in which it begins showing as a kitten. For Agility, each cat/kitten/household pet will be credited with the results from its 7 highest shows.

If a cat/household pet is exhibited in shows totaling 50 rings or less (20 rings for kittens) total credited points will be the sum of total points earned. For Agility, if a cat/kitten/household pet is exhibited in fewer than 7 shows, total credited points will be the sum of total points earned.
