Rings Sponsorship

We want to announce a new challenge for breeders and catteries' owners. You have a chance to become a sponsor of CFA Cat Show which will take place on March, 19-20, 2022 in Kyiv, Ukraine.

You can donate 100 Euros and we will place your name and the name of your Cattery in the ring. It will be a nameplate on the ring's table well-positioned to be seen from any place of the show hall. In addition it will be available at photo-reports, forums etc. Names of the rings' sponsors will be written in the Show Catalogue.

To become a sponsor please contact us at rui@rolandus.org.

Airport transfer

You can order an airport transfer. To do so, you have to tell us a date, time of your arrival and a number of your flight.

At an airport "Borispol" a person from the agency will meet you holding a paper with your name and will get you to a hotel or a reserved apartment.

The transfer "airport-hotel" or "hotel-airport" costs 25 Euro.

Hotel Salute

Participants can be placed by: Hotel "Salute" (to book a room in a hotel you can write us at rui@rolandus.org). A room for a living with cats from Friday to Monday will cost from 175 Euro (Economy room) to 205 euro (Standard room).

Veterinary certificate

To entry Ukraine you will need an international health certificate and a pet passport with information on vaccinations against infectious diseases and rabies. A rabies test is necessary.

We'll be very glad to meet you at CFA Cat Show in Kiev!
