**Experimental Rings – OCP (Opens, Champions & Premiers) NO Grands. CFA is allowing experimental rings at the Regional Shows this year. There will be two experimental rings at the Southern Region (CCPB) show. All opens, champions & premiers entered in the CCPB show will automatically be entered in the two experimental rings. There will be no extra charge for these rings, at the CCPB show. Top 10 Allbreed opens/champions will be in the championship final in this new ring and top 10 opens/premiers will be in the Premiership finals. These experimental rings are designed to award more grand points, so more cats will have the opportunity to “Grand”. As the cost of everything is escalating, many people cannot afford to travel to as many shows; so Cat Club the Palm Beaches is pleased to bring this opportunity to our Regional Show. As listed on the flyer Russell Webb and Sharon Roy will be judging only the Experimental Rings. Judging for the Experimental Rings will start at 8:30 am on each day. By starting 30 minutes early we hope to have little or no impact on these cats getting to the regular rings.
