## CFA JUDGING PROGRAM - HANDLING CLASS

The CFA Executive Board is evaluating different ways to encourage exhibitors to become a CFA Judge and therefore approved this handling experiment. We focus on “knowledge sharing” and “positive learning” as well as on “hands-on training” behind the judges’ table. The learning experience becomes more important than the current requirements. Discover your talents and develop them further under the guidance of experienced CFA judges.

Are you interested in being behind the judges’ table and see how it feels? Or learn from CFA AB judges about how they judge and organize themselves behind the table? Or just handle cats from a breed that you don’t have at home?

For this CFA Handling Class, you can make a choice between LH or SH breeds.

We will work with the cats that are present at the show and that don’t mind being handled a few times more.

Exhibitors, please bring a few extra cats to the show that could also participate in this handling class.
