Cat Health: It is strongly advised that all cats or kittens be inoculated before entry by a licensed veterinarian against feline enteritis, feline rhinotracheitis, calici viruses and rabies. It is recommended that you bring your cats' rabies certificates in case they are needed. It is also strongly recommended that cats and kittens be tested for FeLV before entry. Any entry from a house or cattery where there has been any infectious/contagious illness within 21 days prior to the show is prohibited from the show hall. All claws, front and rear, of each entry must be clipped prior to benching. Declawed cats and kittens are not eligible for entry. All Household Pets over the age of 8 months must be spayed or neutered.

No kittens under the age of 4 months will be allowed in the show hall. Cats and kittens not entered in the show, or in prearranged sales cages, will not be permitted in the show hall.

Cages: Approximate size is 22 x 22 x 24" (single cage, one-half of a double wire cage, included with entry). Exhibitors using security cages for a single entry must pay for one extra half cage, as the security cage takes up the space of a double cage. If you are entering 3, 5, or 7 cats, the extra half cage is complimentary. Litter will be provided by the show. Bring your own food, bowls, and litter pans.

Reasonable care will be taken for all cats and personal property; SCCC cannot be held responsible for items lost or damaged.

One benching request per exhibitor. Requests for end-of-row will be accommodated as space allows, on a first-entered-first served basis. Clerks receive priority benching and will be paid in accordance with CFA Show Rules.

FOR THE WELL-BEING OF CLUBS & PARTICIPANTS: Sainly City Cat Club will follow all applicable COVID-19 and related health and safety mandates, restrictions and guidelines. These guidelines are subject to change and will be communicated separately.
