

Ellyn Honey

CFA Director-at-Large Candidate

VISION PAIRED WITH PASSION

CFA has positioned itself as a global presence. Now, more than ever before, we must embrace our diversity, listen, and COLLABORATE!

This means celebrating our globally diverse CFA family and treating our clubs, our exhibitors, our breeders, our judges and our clerks with dignity and respect.

The board serves CFA's member clubs and through them the breeders and exhibitors who are their members. As a Board member I promise to listen to YOU.

My professional life was with Northrup Grumman for over 25 years and then 10 years as a paralegal. My job was focused on diversity, inclusion, and assuring people's rights were protected. I believe that that experience will serve me well in the position of Director-at-Large.

My CFA Resume

- A dedicated CFA exhibitor and breeder for over 40 years.
- CFA Allbreed Judge for 23 years.
- CFA Ombudsman for two years to help resolve issues and provide a voice to our breeders and exhibitors.
- Judging Program Committee member for eight years, helping guide the next generation of judges as a file administrator and chair of trainees and applicants.
- Judges' Association president for seven years, assuring judges had a seat at the table.
- Member of four Breed Councils, dedicated to breed preservation and protection.

As YOUR Director-At-Large

- I want to hear from YOU! We need your ideas and talents to succeed.
- I am an independent thinker and listen to all sides before making decisions.
- I believe in speaking directly to the issues, giving my honest opinion.
- I believe in an **INCLUSIVE CFA**, one where good ideas come from everyone!
- I stand for our breeders and exhibitors who love CFA.

I am passionate about CFA and its issues. I am passionate about our cats.

I want to help make CFA a more welcoming environment where exhibitors can make friends, thrive, and grow. . . a place where we can share our devotion to cats and be compassionate to each other!
