

BEVERLY WOOD FOR DIRECTOR AT LARGE

I started my cat show experience by attending cat shows in the area, and I started showing HHP's. I joined Lincoln Cat Club as an associate member because they wouldn't allow me to be a full member. (I was working the night shift and could not attend their meetings.) I still supported the club by doing set up and tear down at the shows. When I moved to the day shift and got my first pedigreed cat, I was allowed to join, and was immediately asked to run for office. During my club time, I learned more about set up and tear down and other basics of show production. Then I served as show manager, show secretary, Secretary of Record, Treasurer, and President.

I began doing presentations, education, responsible cat ownership, grooming and care to 4-H groups/club in the area. They also asked me to judge 4-H cat shows.

I started a new club, helped start several other clubs, and have helped revive several older clubs over the years. I've been and still remain a member of several clubs, with Lincoln Cat Club as my main responsibility.

I was accepted into the judging program in February of 1998, about 24 years ago.

For those of you who do not know me, I have been quietly watching and learning due to many family health commitments. That's all over now, and I am ready to become more involved.

It is my opinion that CFA has always been the elite standard in the world of the cat fancy, and I will work to continue this assessment.

AS A DIRECTOR AT LARGE, I WILL:

- *Work to maintain CFA's financial stability
- *Work in harmony with breeders and exhibitors and board members
- *Work to grow honor and respect for CFA, its judges, breeders, exhibitors, and cats

The future of CFA can always bring improvements, and I would like to help make a difference. Thank you for your support!

Beverly Wood
