

## Instructions for Application Check Lists

There is a check list for each type of application to the CFA Judging Program. Locate the check list that meets your application needs.

The check list is NOT part of your application, it is designed to help you put your application in order, and to assist you in having everything you need in the document

Please read the rules through carefully, and then check the application deadlines.

Your application is to come to the application administrator in a single PDF document. Do not send parts, and pieces. If you want a certain portion looked at, we are happy to do that. Just please understand the application administrator will not keep it, nor will it be put together for you as an application. It is your responsibility to file ONE single PDF document called Application and your name.

Any questions you have should be addressed to your mentor, the application administrator or any member of the Judging program committee.
