

Jon Lee

***Starting my CFA show career since 2012**

In the year 2012, my friend took me to participate in the CFA show I was fascinated by the CFA culture. I set up my own cattery NISA ANGEL named after my first cat NISA in 2014.

By 2017, I had obtained 13 GC cats, of which 7 were bred by myself. I hope to take my cats to stand on the highest podium, so I have been showing my cats in almost every CFA show every year since 2018. Up to now, I have won 6 National winners, 7 DW's and 12 Grand Champions.

***Establishing the Club in 2018**

In 2018, I established my own club and gradually transformed from an exhibitor to an organizer of cat shows. In addition to becoming an excellent show manager, I have been constantly learning more knowledge to better serve CFA. Therefore, I also learned how to be an excellent Ring Clerk, passed the test with a perfect score, and accumulated three years of experience as a Master Clerk with the licensed Master Clerk.

***Hosting CFA shows Since 2018**

In December, 2018, despite facing significant challenges with NGO procedures, I successfully hosted a CFA cat show in Xi'an. Since then, I have been hosting CFA cat shows annually. In 2019, I utilized my own governmental resources and collaborated with the CFA to obtain NGO permit, and I was also the first one to expand NGO permit from one city to the major cities where cat shows were traditionally held.

*** Serving CFA and All Participants and Organizers**

Those who are familiar with and understand me know that I am a very helpful person. I hope to provide a platform for all those who want to participate in CFA cat exhibitions to showcase and compete, and to provide free NGO permit for all those who want to hold CFA cat exhibitions. So far, I have provided NGO permit for cat exhibition organizers in cities such as Tianjin, Chongqing, Chengdu, Xi'an, Shanghai, Jinan, Shenzhen, Guangzhou, and Zhengzhou, I just hope that CFA will become better and better in China, and there will be more cat exhibitions. To date, I have provided NGO permit for cat show organizers in cities including Tianjin, Chongqing, Chengdu, Xi'an, Shanghai, Jinan, Shenzhen, Guangzhou, and Zhengzhou. My sole desire is to see CFA thrive in China with an increasing number of cat shows. Therefore, I am applying for the position of China Representative now, hoping to better serve CFA and all participants and cat show organizers.
