

PAM DELABAR

A PROVEN STRONG VOICE FOR REGION 9

ACTIVE AND COMMITTED TO CFA SINCE 1975

CFA Judge for over 34 years; BAOS instructor and judge trainer for over 30 percent of CFA judges; delegate and active in the past 42 CFA Annual Meetings.

As Your Regional Director, I will initiate, and continue to:

- ◆ **INCREASE** the number of shows and show producing clubs in the region, including regional fund raising shows.
- ◆ **ACTIVELY SEEK OUT** sponsorship from businesses in our Region, and globally, to support our clubs and shows.
- ◆ **CONTINUE** regional Zoom meetings to keep clubs and members up to date including the regional treasury.
- ◆ **RE-ESTABLISH** the Region 9 Council of Clubs to address problems, especially in addressing anti-breeder and breed restrictive laws. Please note as I am currently working with other associations with these problems.
- ◆ **ENSURE** Equality of all clubs in keeping with Show Rules, Show Scheduling, and CFA By-Laws.

My commitment in establishing a strong foundation for CFA in Europe has resulted in more judges and resources for our clubs and shows. I have personally paid for CFA's Executive Director to join us at our Awards Banquet and to meet you.

My strong voice and support for Region 9 is on record in CFA meeting minutes. I will continue to push for increased CFA support for us, especially when reviewing such issues as grand point requirements - we do provide more registrations than any other region in CFA and deserve CFA's support.
