

**Vicki Jensen  
Candidate for  
Northwest Regional Director  
2024-2026**

**MY CFA EXPERIENCE**

I started showing and breeding Silver Persians with CFA registered cats in 2012. I found the shows to be enjoyable and made many wonderful friendships. I have found myself more and more involved in show production as time went on. I have served as a certified ring clerk for several years. I also have been a member of Utah Cat Fanciers and Crow Canyon Cat Club for several years. I previously held the position of Vice President with Crow Canyon Cat Club, and I am now Secretary and co-show manager. I have been the “Newbie coordinator” for Region 2 for the past 3 years and enjoy welcoming new exhibitors to the fancy.

**REGIONAL DIRECTOR- WHY DO I THINK I AM QUALIFIED?**

Being Regional Director is not just representing the Northwest Region on CFA’s Board, it is understanding the issues and all programs and CFA business that is discussed and voted on by the Board of Directors. I believe I have an understanding of OUR region and its various needs since I have regularly attended, shows in ALL areas of region 2, for the past 10 years. I have a basic knowledge of the various elements and the resources to inquire and investigate what I need to.

I have successfully run a Criminal Defense law practice business for the past 28 years. I am a skilled negotiator and problem solver. I have previously served on boards including City of San Leandro Human Resources Committee, and have been an active member in California DUI Lawyers Association, Alameda County Bar, and California Public Defenders Association. I also previously served as a judge pro tem in Alameda County. I am organized and enthusiastic about our region and want what is best for ALL the region. I will be communicative with all corners of our region and my goal will be to get more people involved and working together. I truly appreciate the Leadership of Pam Moser as our Regional Director these past 10 years and her responsible management of the regional treasury. If I am fortunate to win your support as your next Regional Director, Pam has agreed to serve as Regional Treasurer. I also am fortunate to have Vicki Nye and Pam Moser willing to advise me.

CFA and the NW Region has survived the pandemic shut down, and we are fortunate to have several well-established show-producing clubs. The NW Region has seen recent show growth in the California portion of our region and a resurgence of shows in the Eugene, and Albany Oregon areas. I urge all who read my flyer to get involved! Join a club, learn to be a Clerk and a Master Clerk, mentor a newbie! We have a lot of untapped talent in our region, and the NW Region needs you!

**Please cast your club vote for Vicki Jensen -- Region 2, Northwest Regional Director.**
