## What's important RIGHT NOW...STRATEGIC THINKING

## The Devil is in the Details

- Attention to DETAILS sits firmly in my wheelhouse.

*Over the years, I have given a lot to my beloved Cats and to my organization, CFA. But do you know what? It pales in comparison to what my Cats and CFA have given to me. My goal is to have healthy, happy cats and to keep CFA Strong.  
**With that, I ask for your vote and your support.***
