CANDIDATE FOR CFA REGION 7 DIRECTOR

Ready to Serve. Approachable. Committed to Region 7.

WHY I'M RUNNING

CFA Region 7 is one of the most diverse and active regions in the Association. Our region deserves leadership that listens, communicates clearly, and advocates strongly for clubs, exhibitors, breeders, and judges alike. I am running for Regional Director to serve you—to be a reliable voice for Region 7 and a voice for Region 7 and a responsive resource for our clubs and members.

MY PRIORITIES FOR REGION 7

- **Strong Communication:** Clear, timely communication between the clubs, members, and CFA leadership—so no one feels unheard or uninformed.
- **Support for Clubs & Volunteers:** Our clubs are the backbone of CFA. I will work to ensure clubs have the guidance, respect, and advocacy they need to thrive.
- **Fair & Thoughtful Representation:** Every part of Region 7 matters—from long-established clubs to newer ones, from seasoned exhibitors to those just getting started.
- **Practical, Common-Sense Leadership:** Respecting CFA traditions while supporting smart, reasonable progress that benefits the fancy as a whole.

WHAT YOU CAN EXPECT FROM ME

- Accessibility and responsiveness
- Respect for differing viewpoints
- Transparency in regional matters
- A steady, professional presence on the CFA Board

Regional Directors are elected to represent their regions and bring forward the ideas, concerns, and priorities of local clubs at the national level. I take that responsibility seriously.

If elected, I promise to serve with integrity, fairness, and dedication—always with the best interests of Region 7 and CFA in mind.

I'd Be Honored to Earn Your Vote.

COMMITMENT. SERVICE. ADVOCACY.

My campaign is built on a simple promise:
Honoring Our Past, Building Our Future.

Honoring Our Heritage (The Laurel & Arch): We must protect the standards and traditions that make the Cat Fanciers' Association the gold standard of pedigreed cats.

A Forward Trajectory (The Rising Star): I am focused on growth—reaching new audiences, supporting our shows, and elevating the profile of Region 7 and CFA.

Hard Work & Progress (The Gears): Success doesn't happen by accident. It requires the “gears” of collaboration, transparency, and modernizing our approach to regional management.

I would appreciate your vote and your support.
Let's get to work!
